Jules Believes He is Just PerfectBut is He?

Jules believes he is just perfect. He is the perfect height, perfect weight, perfect color, and even has the perfect howl. There is no doubt about it. In any and every way, Jules knows that he is just perfect.

That is until one day Jules finds himself at a dog park surrounded by dogs who are nothing like him. At first he feels sorry for these less than perfect dogs but when he sees that they can do things that he cannot, Jules begins to question if he is just perfect after all.

After a long day of watching the other dogs and seeing how happy they are, Jules finally understands what being perfect truly means.

Written to entertain and inspire the young and young at heart, **Just Perfect** features the popular character of Jules first introduced in **Jules the Lighthouse Dog**. Both books are based on a real dog named Jules who lived with the author in the lighthouse keeper's quarters at the Pt. Loma Lighthouse in San Diego.

"An engaging story about accepting oneself and others."

"A picture book that is fun plus can plant the seeds for both self-esteem and appreciation for others who are different." - The US Review of Books
